

Airport Options and Ground Travel Discounts for the FSPA Conference & Showcase Tucson, Arizona

Not only does Tucson have a large airport with many non-stop, one-stop and one-connection flights arriving daily, but you can also check into flying into Phoenix, the 5th largest city in the U.S., and driving or taking a shuttle to Tucson. The drive is about 80-90 minutes and you would have the opportunity to see some of the unique Arizona scenery during the drive.

FSPA is also pursuing a possible discount offering from American Airlines.

We have made arrangements with Enterprise Car Rental for a special FSPA Conference rental car rate at both airports. Our FSPA discount code is:

L508544.

In addition, we are working with Arizona Shuttle to arrange for a special ground transportation discount to and from Tucson from Phoenix Sky Harbor Airport.

Further, we are also trying to arrange for a discount from Arizona Stagecoach to get FSPA members a discount for

ground travel to/from the Westin La Paloma Resort & Spa and the Tucson Airport.

All of these discounts will be announced in a future mailing of Tucson conference information.

We will do everything possible to make this 37th Annual FSPA Conference & Manufacturers' Showcase a well attended event. Discount options will give our FSPA members a chance to save a few dollars whenever possible.

Please make plans now to attend this *one-of-a-kind* event!
