### **Ricoh Business Systems Renews Affiliation with OMD**

**Jefferson City, Missouri** — OMD Corporation, the leading provider of management software for the office equipment industry, is pleased to announce that Ricoh Business Systems based in Rochester Hills, MI and Fairfield, NJ has renewed its relationship with OMD. Ricoh Business Systems has accepted OMD's new end user license agreement, ensuring its continued access to leading-edge business technology.

"We want to thank Ricoh Business Systems, as well as the other 80-plus percent of OMD customers who have accepted the New Deal, both for their ongoing support of OMD through the years and their vote of confidence in its future," said OMD CEO Don Weary. "This renewed commitment by the customer base will ensure the long term viability of the OMD platform and a renewed commitment to innovation."

#### **About OMD Corporation**

Founded in 1984 as a provider of fully integrated management information systems for the office equipment industry, OMD Corporation became part of the ECI<sup>2</sup> family of companies in December of 2006. Today, OMD has more than 3,000 user locations worldwide, and the majority of the most successful independent dealerships and acquisition groups use OMD software solutions.
