## **Wittenbach Business Systems, Inc. Acquires DBI Bank Support Services in Florida Expansion**

**Fort Myers, FL – November 12, 2008** – Wittenbach Business Systems today announced the completion of its acquisition of DBI Bank Support Services, a Florida based sales, installation, and service provider for financial institutions. The acquisition expands Wittenbach's territory on the East Coast from PA through FL. In addition to installing and servicing a broad range of security equipment, Wittenbach will sell Hamilton Safe security equipment, Triton ATMs, and FireKing safes to financial institutions in Florida.

DBI, a privately held company based in Fort Myers, FL, has been providing physical and electronic security solutions for over twelve years. Dan Brock, founder of DBI, is now the Regional Service Manager for Wittenbach with responsibility for managing installation and service. Kathy Bays, also from DBI, is the Sales Account Manager for the state.

“With this acquisition, Wittenbach is positioned to build on DBI's success to develop a strong presence in Florida. We are impressed with the reputation DBI has established and are confident that their knowledge and experience of the Florida market is the key to continuing great service to existing accounts while finding new customers in search of a more competitive, more reliable business partner. We have kick-started our growth in Florida by taking on the service of over one hundred branches for a leading regional bank.” - Roger Wittenbach, CEO of WBS

Dan Brock, founder of DBI, said, “We are very pleased with the opportunity that this acquisition allows. Wittenbach brings our team resources and opportunity for growth. As part of Wittenbach, we will rapidly expand our business model to service all of Florida. Our culture of customer focus and strong sense of urgency is a perfect fit with Wittenbach.”

### **About Wittenbach Business Systems**

Founded in 1974, Wittenbach Business Systems is a leading provider of money processing and security solutions for financial institutions in the Mid-Atlantic and Southern Atlantic Regions. For security solutions, Wittenbach represents Hamilton Safe products including: alarm systems, remote drive ups, vaults, chests, safe deposit boxes, and night depositories. Triton is Wittenbach's partner for full function and off premise ATMs. FireKing is Wittenbach's partner for fireproof filing cabinets and safes. Wittenbach is also the largest distributor in the world for Talaris (a former De La Rue Cash company) and offers a complete line of money processing products including: teller cash automation, self-service coin, and currency counters.

Over the past 34 years, both sales and service divisions have earned a reputation in the industry for high performance and customer focus. The company employs over 140 professionals and services customers in: PA, MD, DE, Washington D.C., VA, WV, NC, SC, TN, and FL. The

corporate headquarters are in Sparks, Maryland with regional offices in Charlotte, NC and Fort Myers, FL.
