Lockmasters, Inc. is proud to introduce the following two new members to the Lockmasters' team:

Mr. Michael Brislin is no stranger to the security hardware industry. He began working at Sargent & Greenleaf in early 2008. In those three years he advanced from Technical Support to Customer Service and most recently Outside Sales. During 2011, Michael worked heavily with the new S&G FF-L-2740A lock. Prior to entering the security hardware industry, Michael worked as a personal banker for Fifth Third Bank in the Cincinnati, Ohio area. We look forward to adding Michael's high level of technical and customer support skills to our Government and Industrial Department.

Frieda Ellis
Safe Lock Sales
800.654.0637
Tel 859.885.6041 ext 332
friedaellis@lockmasters.com

Ms. Frieda Ellis brings over 28 years of experience in the manufacturing sector of the security hardware industry. She began her career with Sargent & Greenleaf where she spent the last 15 years of her tenure in the International Sales/Customer Service Department. She was the account manager for both domestic and international customers. For the past three years, Frieda has worked on the distribution side of the security industry in the area of customer development and sales. Her years of experience in both manufacturing and distribution will be a great asset to our Safe Lock Division.
