

**FSPA CLASSIFIED ADS: Two pages – make sure you “PAGE DOWN” to see it all!**

If you have a job posting or have parts or products to sell or have services to offer - email [bj@fspa1.com](mailto:bj@fspa1.com) and have your free ad on this page!

**The Security Center** has warehouse of used safes for sale. We have an assortment of used TL-15, TL-30, night drops and fire safes for sale from financial institutions in a variety of shapes and sizes. Many safes are open inside, but we can add teller lockers or electronic kaba mas locks at additional costs. We are located in Dallas, Texas and can deliver within the state for an additional charge, otherwise freight will need to be arranged by purchaser. For details or photos, please contact Clayton Cuno or Dave McCabe at 214-349-0480 or email [ccuno@securitytexas.com](mailto:ccuno@securitytexas.com) or [dmccabe@securitytexas.com](mailto:dmccabe@securitytexas.com)

**King Enterprises** has (4) 6ft Hamilton concrete safes, some with teller lockers, some with safe deposit boxes that need a home. Also. some Diebold Optiva ATMs looking for a home. Some of these in Oregon, some in Washington. Delivery/shipping extra. Contact Corey King [corey@king-ent.com](mailto:corey@king-ent.com) or call (888) 868-5464.

**WALKER SECURITY has used FI Safes for sale:**

We have a variety of safes from financial institutions that we would like to sell, we have both TL-15 and TL-30 safes. Some have safety deposit boxes installed, some have teller lockers installed and others are open inside. Different sizes available, we are in Phoenix, AZ, we can deliver in our state for an extra fee, otherwise shipping will need to be arranged by purchaser.

Contact Mike Delaney at (602) 437 5552 or by email at [miked@walkersecurity.com](mailto:miked@walkersecurity.com)

**Renova Technology has a repair cost spreadsheet**, complete with their best estimate of what it would cost to get a replacement. If you have questions or would like a copy, contact Anita Lomel at 770-325-5581 or email [anital@renovatechnology.com](mailto:anital@renovatechnology.com)

**BranchServ has an excess inventory sale**, going on right now! Call Robert Stephens, Supply Chain Manager 804-592-4282 or email [robert.stephens@branchserv.com](mailto:robert.stephens@branchserv.com)

**Ellsworth Systems is a one stop shop for refurbished equipment and parts.** We have a good stock of rebuilt desktop equipment such as encoders and coin sorters at excellent prices. We also have an overstock of parts for all makes and models of desktop equipment (and some ATM parts) and can make some great deals. And we have some overstock of brand new security equipment. For details email us at [customerservice@ellsworthsystems.com](mailto:customerservice@ellsworthsystems.com) or call Joe at 615-503-0617

**Senetics – Hawaii’s largest Safe & Vault Company now hiring.** Office and Showroom is located on the island of Oahu. Looking for a Safe & Vault Installer and Safe Technician. We cover all of the Pacific Rim area but majority of our work is based on the Hawaiian Islands, which would include Oahu and the rest of the island chain. Applicants must have a clean DMV record, will have to pass a background check, be capable of joining our After-Hours Emergency Service On-Call rotation. Must have 2-3 years of Safe & Vault experience which includes field work. We are primarily a Safe & Vault Company, only doing minor locksmith work. Locksmith knowledge is a plus.

All qualified applicants must be able to perform work in a professional manner, possess excellent customer service attributes and work efficiently, independently and as part of a team. Hourly rate will commensurate with Experience, Medical, Dental, Vision and Simple IRA included.

Please forward your resume to [reid@senetics.net](mailto:reid@senetics.net).
