The Security Center has an assortment of used TL-15, TL-30, night drops and fire safes for sale from financial institutions in a variety of shapes and sizes. Many safes are open inside, but we can add teller lockers or electronic kaba mas locks at additional costs. We are in Dallas, Texas and can deliver within the state for an additional charge, otherwise purchaser must handle freight. For details or photos, please contact Clayton Cuno or Dave McCabe at 214-349-0480 or email ccuno@securitytexas.com or dmccabe@securitytexas.com

King Enterprises has (4) 6ft Hamilton concrete safes, some with teller lockers, some with safe deposit boxes that need a home. Also. some Diebold Optiva ATMs looking for a home. Some of these in Oregon, some in Washington. Delivery/shipping extra. Contact Corey King corey@king-ent.com or call (888) 868-5464.

Walker Security has used FI Safes for sale:

We have a variety of safes from financial institutions that we would like to sell, we have both TL-15 and TL-30 safes. Some have safety deposit boxes installed, some have teller lockers installed and others are open inside. Different sizes available, we are in Phoenix, AZ, we can deliver in our state for an extra fee, otherwise shipping will need to be arranged by purchaser. Contact Mike Delaney at (602) 437 5552 or by email at miked@walkersecurity.com
